**Conner:** Chandler you are absolutely right and we do represent the student body and we are here to be a voice to them. It is in our jurisdiction to inform the trustees how the student body is feeling

**Question from audience:** was there ever protest before?

**Conner:** Yes there was once after Dean Kline was fired

**Lichacz:** the petition in its current state does not guarantee to represent the student body

**Conner:** We have no idea who did the Tiger poll demographic wise

**Quick:** Trustees will be meeting in May
