Road Safety Improvement Act

BE IT ENACTED BY THE STUDENT SENATE HERE ASSEMBLED:

SECTION I:

Some of the dimly lit winding roads of Hampden-Sydney are a danger to students.

SECTION II:

The winding road section of Crawley Drive on the way to the Carpenter buildings is the main hazard being mentioned in this bill.

SECTION III:

The school should place light reflectors on the trees and wooden posts of said winding roads. In hope of preventing any nighttime collisions.

SECTION IV:

This bill should be carried out by the end of the semester considering the small amount of work it would require.

SECTION V:
